

THEIR WORST NIGHTMARE

On August 26, the news website Axios reported that Republicans have compiled a secret list of probes they fear Democrats will pursue if they prevail in November and Congressional oversight is reinstated. Among the issues that are panicking the GOP are:

- President Trump's tax returns
- Trump family businesses – and whether they comply with the Constitution's emoluments clause, including the Chinese trademark grant to the Trump Organization
- Trump's dealings with Russia, including the president's preparation for his meeting with Vladimir Putin
- The payment to Stephanie Clifford – a.k.a. Stormy Daniels
- James Comey's firing
- Trump's firing of U.S. attorneys
- Trump's proposed transgender ban for the military
- Treasury Secretary Steven Mnuchin's business dealings
- White House staff's personal email use
- Cabinet secretary travel, office expenses, and other misused perks
- Discussion of classified information at Mar-a-Lago
- Jared Kushner's ethics law compliance
- Dismissal of members of the EPA board of scientific counselors
- The travel ban
- Family separation policy
- Hurricane response in Puerto Rico
- Election security and hacking attempts
- White House security clearances
